

# Parachuters Jump Here Sun.

## Sky Divers at Local Air Port

The Indianapolis Sky Diving Club will put on an exhibition of parachute jumping at the Greenfield Airport, Sunday, September 2, starting at 1:00 p.m.

The members of the club are also affiliated with the Civil Defense emergency drop corps.

Also participating will be the Hancock County Rescue Unit and the Hancock Amateur Radio Club, which is also a Civil Defense affiliate.

The planes carrying the jumpers will also be manned by members of the Amateur Radio Club, and it will be possible for the spectators to actually hear the conversation between the occupants of the airplane and the ground control unit. These conversations will be broadcast on the public address system so that everyone watching the exercise can hear.

The members of this club are both male and female, and some of the jumping will be done by the fairer sex.

For a never to be forgotten sight, be at the Greenfield Airport at 1:00 p.m. Sunday, September 2, 1961.
