

Class in Radio at Local Boys Club

Winfred L. McFerrin, Director of the Greenfield Boys Club, announced this week the addition of a class in radio to the Boys Club program. The first group will be formed this week and will be limited to twenty members.

The requirements for enrollment are that the boy must be a member of the club and be between the ages of 12-19.

The first session of this class will be on Sept. 27th, from 7:30 to 9:30 p.m. All classes will be conducted at the Boys Club.

The class will be sponsored by the Hancock Amateur Radio Club and the instructor for the class will be Jack Andrews, president of the Hancock Amateur Radio Club. This class will provide the boys with the necessary information to become a licensed amateur. All boys interested in enrolling in this class should contact Mr. McFerrin at the club this week.
